Date: 12.05.2026

Ph. D. admissions for academic session of AUTUMN 2026-27

Applications are invited for Ph.D. Admissions in (Full time/Sponsored/Self-Financed/Part time categories) for Autumn 2026-27 (to commence tentatively from July 2026) in Departments of Applied Geology, Architecture, Bio Medical Engineering, Bio-Technology, Chemical Engineering, Chemistry, Civil Engineering, Computer Applications (MCA), Computer Science and Engineering, Electrical Engineering, Electronics and Communication Engineering, Humanities and Social Sciences, Information Technology, Mathematics, Mechanical Engineering, Metallurgical and Materials Engineering, Mining Engineering and Physics and COSINE (Centre for Space & Interplanetary Exploration).

The details of specialization and research domains offered by these departments can be obtained from Annexure I of this bulletin.

How to Apply:

The relevant information is available in this detailed information bulletin and the candidates are required to read the bulletin carefully before applying.

Interested candidates need to fill the online application form at <https://phdadmission.nitr.ac.in/> and pay the non-refundable application processing fee online through the same portal.

Application portal opens at 11.00 am on 12.05.2026.

Last date of online applications is 29.05.2026, 05.00 pm.

Candidates are advised to fill the application, make the payment of application fee and submit the application well before the last date to avoid the last-minute rush and possible failure of online payment due to congestion and/or payment gateway failure. Incomplete forms, and/or forms without payment and/or late submissions shall be rejected.

*Application processing fee (non-refundable):

Non-refundable application processing fee of Rs. 1200/- for OC, OBC and EWS category applicant & Rs. 600/- for SC/ST/PH candidates. In case, an applicant wishes to apply in more than one department, then, separate applications and fee for each department shall have to be submitted. Kindly note that request for consideration of wrongly filled/incomplete/improperly submitted applications shall not be considered/accepted. Request for refund of excess payment made due to repeated transactions arising from bank server/link failure may be considered. For all other cases, the APPLICATION PROCESSING FEE is NON-REFUNDABLE.

Note: All relevant information shall be displayed on the Institute website www.nitr.ac.in and no intimation shall be sent to the candidates individually.

The tentative dates of **declaring** the list of candidates to be called for written examinations and interviews shall be within a week from the last date of application and the **written examinations and interviews shall be tentatively scheduled within three weeks** from the last date of application. The candidates are advised to plan and arrange their travel accordingly and keep visiting the Institute website regularly for further updates.

Registrar
NIT Raipur

Ph. D. admissions for academic session of AUTUMN 2026-27

Applications are invited for Ph.D. Admissions in (Full time/Sponsored/Self-Financed/Part time categories) for Autumn 2026-27 (to commence from July 2027) in Departments of Applied Geology, Architecture, Biomedical Engineering, Biotechnology, Chemical Engineering, Chemistry, Civil Engineering, Computer Application (CA), Computer Science and Engineering, Electrical Engineering, Electronics and Communication Engineering, Humanities and Social Sciences, Information Technology, Mathematics, Mechanical Engineering, Metallurgical and Materials Engineering, Mining Engineering, Physics and COSINE (Centre for Space & Interplanetary Exploration) with specialization and offered area of research as mentioned in Annexure I.

Relevant certificate formats pertaining to sponsorship, NoC, relaxation against category as per GoI norms etc. are given in Annexure II. Number of seats available department-wise under Full-Time Fellowship/Scholarship is given in Annexure III. Sponsored/Self-Financed/Part time seats are in addition to these depending upon the suitability of the candidate and availability of specialization and Supervisor in the department. The concerned department shall judge suitability of the candidate for pursuing Ph.D. in particular discipline based on his/her specialization in Master's level. Decision of the Institute shall be final in this regard.

1. Eligibility for Ph.D. Admissions

1.1 Educational Qualifications:

A Master's degree in Engineering/Technology/Science/Management/ Humanities and Social Science, Architecture/ Planning or any other equivalent qualification recognized by the institute. Minimum requirement of percentage/CGPA in qualifying degree:

Minimum 60% marks or 6.5/10 CGPA/CPI at Master's degree is essential for admission in Ph.D. program of the Institute. However, a relaxation of 5% marks from 60% to 55% and from 6.5/10 CPI (CGPA) to 6.0/10 CPI (CGPA) may be allowed for those candidates belonging to SC, ST, OBC (Non-Creamy Layer), Differently Abled and those who had obtained their master's degree prior to 19.09.1991.

Candidates, who have appeared in their qualifying exam and are awaiting result, can also apply. Their candidature, however, shall be subject to meeting the eligibility criterion at the time of interview. Last date of submission of qualifying degree result (that ascertains the eligibility criterion), if shortlisted for the interview, shall be the date of interview. Failing to do so may lead to cancellation of the application of such candidates.

1.2 Other Conditions

There is no age limit for the applicant.

Prospective candidate should apply for full time/sponsored/self-financed/part time candidature online at <https://phdadmission.nitr.ac.in/> on or before due date and time in the application portal. The choice of candidature, once exercised, will not be changed. The Ph.D. Ordinance of NIT Raipur defines the student status as per Regulation R.o.1 and R.o.2 (Page no. 5) and is partly reproduced here (for the sake of clarity for the prospective candidates before they apply for full time/sponsored/self-financed/part time candidature) and is as follows:

R.o.1 Full Time Research Candidate

- R.O.1.1 Institute Research Student/Candidate: getting institutional fellowship/scholarship.
- R.O.1.2 Government/Semi-Government Fellowship awardee: by QIP/CSIR/DST/UGC/DRDO/AICTE/DAE etc.
- R.O.1.3 Sponsored Students/Candidates: being an employee of a public sector undertaking, Government department, Defense organization, Research and development organization, a private industry/institution (approved by the concerned faculty) or an educational institution (sponsored by his/her employee with their normal salary and allowances and are relieved for a period of not less than three years for pursuing Ph.D. Program). The candidates under sponsored category should have minimum working experience of two years in the relevant field.
- Candidates selected under this category must submit Form I (Page 25 of Ph.D. Ordinance and made available with the advertisement, Annexure II a).
- R.O.1.4 Sponsored from industries under bilateral agreement with the institute.
- Candidates selected under this category must submit Form I (Page 25 of Ph.D. Ordinance and made available with the advertisement, Annexure II a).
- R.O.1.5 Self-financed (Indian/Foreign)/Study leave/college teacher.
- Indian: This category refers to the persons with experience and good academic record to join the doctoral program in their personal capacity.
- Foreign: These students are admitted through embassy of the foreign government after getting approval from the ministry of external affairs and NOC from Ministry of Human Resource Development or Department of Education, Government of India or admitted under MoU with NIT Raipur.

R.o.2 Part Time Research Candidate

- R.O.2.1 Institute Faculty/ Staff: those who are permanent employees of the Institute.
- R.O.2.2 Project Staff: those who are working on various projects undertaken by the institute where Ph.D. registration is not a requirement but are admitted to Ph.D. program.
- R.O.2.3 Research Scholar of other institution/organization: working on a part-time basis shall normally carry out research work at NIT Raipur under the supervision of a guide and not co-guide at NIT Raipur.
- R.O.2.4 External Candidates: Who are working in other public/private sector organizations or research laboratories having R&D facilities and will normally carry out part or all of one's research work there only under supervision of a co-guide employed in the same organization and a guide/Supervisor at NIT Raipur.

Candidates applying under Part-time category shall have to produce NoC from their employer (in the format of Form II given at page 26 of Ph.D. ordinance and made available with the advertisement, Annexure II b). During initial registration, in case of non-availability of NoC or delay in submission of NoC, the candidate will have to submit an undertaking to produce the NoC as per the given format within a stipulated date (as declared by the Office of Dean Academics for such cases). Till the stipulated date, the registration of the candidate will be treated conditional and may be cancelled if the candidate fails to submit his/her NoC as per the given format by the stipulated date or such other date as decided by the Institute. **Kindly note that, as per the PhD ordinance, part time PhD scholars must maintain minimum 30 contact days per semester with the supervisor in the institute, till thesis submission and such scholars must obtain permission to this effect from their parent organization (mentioned in NoC).** Candidates selected under R.o.2.4 (as External Candidates) shall have to submit Form III (Page 29 of Ph.D. Ordinance and made available with the advertisement, Annexure II c). Candidates are advised to refer the Institute's Ph.D. ordinance

available in the institute website to ensure their eligibility for full time/sponsored/self-financed/part time category. ([Link to the Institute PhD Ordinance](#))

2. Selection Process

2.1 Selection of candidates for Ph.D. program will be made based on candidate's performance in the objective type (MCQ based) entrance examination and in the Interview.

2.2 The minimum eligibility criteria to appear in the interview will be:

2.2.1 Cut-off Marks:

a) For OC/OBC/EWS, a cut-o mark is set at 50% of the maximum marks scored in the written examination of a department.

b) For SC/ST/PH, a cut-o mark is set at 45% of the maximum marks scored in the written examination of a department.

Those candidates who have scored the mentioned minimum marks (or more) shall only be eligible to be called for the interview. The list of such candidates shall be declared by the respective departments/Office of Dean (AA) in the notice board/website on the same/next day.

2.2.2 The Institute reserves the right to restrict the number of candidates (found eligible as per 2.2.1 above) to appear in the interview as per the number of seats available category-wise in each department vis-à-vis performance of the candidate in the written examination.

2.2.3 The candidates, thus found eligible (as per point 2.2.1 and 2.2.2 mentioned above), will have to appear in a personal interview in the respective department on the same day/next day of the written examination.

2.2.4 The category-wise merit list depending on the performance of candidates in written examination and interview for each department will, then, be published in institute website.

2.3 UGC/CSIR (JRF)/NET/Teacher fellowship holder/ M. Phil. qualified candidates may avail waiver from appearing in written entrance examination. Such candidates shall be called directly for interview subject to their eligibility.

Please note that UGC Teacher Fellowship holders/M. Phil. candidates will become eligible for institute fellowship only if they appear and pass in the written entrance test and interview. Eligible candidates, who are regular faculty and staff member of NIT Raipur having successfully completed their probation period, need not appear in written entrance examination.

Other than these, remaining candidates who are found eligible after the scrutiny of the applications shall have to appear in a written entrance examination.

3. Reservation and Scholarship Details

Reservation of seats under scholar type defined under Ro.1.1 in PhD ordinance for SC/ST/OBC/EWS and differently abled persons will be followed as per GoI norms for award of Full-Time Fellowship/Scholarship (as mentioned in Section 1.2, subsection, R.o.1.1 of Institute PhD Ordinance). The respective candidates are instructed to submit their certificates as per the formats provided in Annexure II (d-j). The OBC (NCL) and EWS certificate must have been issued on or after 01.04.2026.

If a suitable/eligible Open-EWS candidates is not found in a department, then the Open-EWS seats shall be converted to Open category.

Also, if seat(s) is/are remaining vacant after due process in any category in any branch for want of eligible candidates, then the same seat(s) may be transferred in the respective category in

those departments where the eligible candidate(s) in the same category is/are available without affecting the overall (Institute-wide) roster of seats.

Number of seats for Sponsored/Self-Financed/Part time candidates are not fixed. Hence preference will be given to OBC/SC/ST/PH candidates over OC (General) candidates, in the respective category, if all other criteria remain the same.

3.1 Scholarship

Details of the department-wise vacancies, only under the category of full-time research scholar with Institute Fellowship/Scholarship as per regulation R.o.1.1 of Ph.D. ordinance, is provided in Annexure III. The award of scholarship/fellowship to full time (as per regulation R.o.1.1 of Ph.D. ordinance) will be made only to those eligible candidates who have qualified both, in written entrance examination as well as the interview, and shall be applicable as per GoI/MHRD norms.

4 Date of Written Examination and Interview

The list of candidates eligible to appear in the written entrance examination, dates of written entrance examination, list of shortlisted candidates for interviews, dates of interviews and result will be displayed in the institute website www.nitr.ac.in and no intimation will be sent to the candidates by post or individual mail. The candidates are advised to visit Institute website regularly.

5 Document Verification

The candidates, shortlisted to appear in the interviews, will have to submit an undertaking (available at the department) at the time of appearing in the interview stating that “If any information furnished in this application is proved wrong at any stage, then the application/candidature may be rejected and the admission, if offered/granted may be cancelled and the sole responsibility of the same will be of that of the Candidate”.

In case, a candidate's claim cannot be verified due to lack of proofs (original documents) or otherwise, his/her candidature will be terminated, and such candidates will not be allowed to take part in further process.

Research expertise available and department-wise area of research offered (but not restricted to) for Session 2026-27.

Kindly refer to the faculty profile in department website for further details

S. No.	Department	Broad Research Area offered
01.	Applied Geology	Structural Geology, Petrology, Mineralogy and Geochemistry, Hydrogeology, Application of RS & GIS in water resource development & management, Hyperspectral remote sensing application in mineral exploration, subsidence monitoring of coal mines using microwave remote sensing, Oil-spill Detection using Remote Sensing and Lunar Mapping using Chandrayaan data.
02.	Architecture & Planning	Space Syntax Analysis, History of Architecture, Town Planning, Intelligent tall building, Prefabricated Construction, Energy Efficient Housing, Climate Responsive Architecture, Tourism Planning, Vernacular Architecture, Efficient & Solar Passive Architecture, Sustainable architecture and Settlements, Environmental Planning & Management, Building Materials & Construction, Performance of Building Envelope, Thermal Comforts in Built Environment, Daylight in Built Environment, Urban Mobility, Housing and Dynamics, Urban Informatics.
03.	Biomedical Engineering	Computational neuroscience, Medical Image Processing, Machine Learning, Deep Learning, Health informatics, Biomedical signal processing. Tissue engineering, Microfluidics, Cognitive Neuroscience. Medical devices, Machine learning, Tomography, Inverse problem. Biomechanics. Medical Instrumentation, Experimental biomechanics, Bio-photonics, medical device development, Electrochemical Biosensors, Computational Nanoelectronics.
04.	Biotechnology	Plasmonic Biomaterials, Bioplastic materials, Sustainable biomaterial, Microbiology, Drug development, Drug design, Environmental remediation, Bioinformatics, Drug delivery, antimicrobial resistance, Nanomaterials for environmental application, Microbial electrochemical technology, Antibiofilm study, Bio-Nanotechnology & Biosensors, Tissue Engineering.
05.	Chemistry	Synthesis, Characterization and Application of Nanomaterials and Polymer Nanocomposites. Environmental Analytical Chemistry, Nanoscience, Microextraction of drugs, Lanthanide Composite Materials, Optoelectronic Materials. (Antidepressants), nanomaterials, Inorganic Chemistry, Carbon dot and Application, Bio-Adsorption. Inorganic-organic hybrids, conducting polymers for supercapacitor application. Crystal Engineering of Coordination Polymers/MOFs and their Derived Materials for Energy Storage and Environmental Remedial Applications.
06.	Chemical Engineering	Nano Technology, Electrochemistry, Membrane Technology, advanced oxidation Processes, Environmental Engineering, Reaction Engineering, Sensors, Catalysis, Industrial effluent treatment, Food science engineering, Process intensification, CFD, Modelling, Vapor-Liquid equilibrium studies, Nanocomposite., Reactive Extraction, Biotechnology and Bioprocess engineering, Surface engineering, Rechargeable Battery, Environmental Chemistry, Environmental Science, Waste to Value added products, Capacitive deionization, Supercapacitors, Desalination, Lignin valorization, polymers and polymeric composites, Air pollution, Synthesis of aroma compounds, Hydrogen Energy, Photocatalysis, Solar, Biomass and other Renewable Energy, Edible films & Coatings, Wastewater Treatment, Nano Membrane, Waste to Energy and Mineral Beneficiation, Carbon utilization and storage, Flow in porous media, Colloids and interfacial science, Hydrogen storage, Nanofoam, Pickering emulsion, Nanofluid, Enhanced oil recovery - chemical, gas and microbial, thermochemical conversion of Biomass to Bioenergy and other value added products, residence time distribution studies.
07.	Civil Engineering	Environmental engineering Air pollution monitoring, and modelling, water and waste- water treatment, pollution control, waste-water treatment, Water Resources engineering, Structural engineering, Earthquake resistant design, Hazard analysis, soil structural interaction, Performance evaluation of Pavements, manufacturing, of aggregates, water resources planning & management, Hydro-informatics & climate change, Geotechnical Earthquake Engineering, Soil Dynamics, Characterization of Geomaterials, Application of Sensors in Experimental Geotechnics, Slope Stability, Landslide. Geotechnical & Geo environmental engineering, concrete technology, Pavement analysis & design, regional transport planning, RS & GIS applications, UAV Applications with AI, DL, ML and IoT.
08.	Computer Application	Parallel Processing, AI & Machine Learning, SDN, Cloud Computing, Internet of Things, Web Engineering, Decision Support, Information Security, Cyber Security, Blockchain Technology, IoT Security, MANET, Wireless Sensor Network, Swarm Intelligence Techniques, Evolutionary Algorithm and other meta heuristic techniques for combinatorial optimization problems, Multimedia Security, Cyber Physical Systems, Adversarial Machine Learning, Parallel and Distributed Computing, Surveillance with drones, Area Coverage Problem, Distributed Algorithm Wireless Network, Machine Learning, Deep Learning and Computer Vision, <i>Pattern Recognition, Image and Computer Vision, and Soft Computing</i> , VLSI physical design, Medical Omics Data and Image Data Analysis.

09.	Computer Sci. & Engineering	Data analytics, Distributed computing & communication Networks, AI & Machine learning based cloud, edge, fog & IoT computing, Deep learning, software engineering, Image processing, Blockchain Technology, Security in cloud computing, Intrusion detection. Graph Mining, and Quantum Machine Learning, Cyber Security Digital Forensics Internet of Things (IoT). Visual Cryptography, Secret Sharing, Multimedia Security, Software defined Networking (SDN), Game Theory, Cyber-physical Systems (CPS).
10.	Electrical Engineering	Biomedical Instrumentation, Medical Signal and Image Processing, Deep Learning Application in Power System, Speech Signal Processing, Biometrics. Cyber physical System, Central System for renewable energy source integration. Power system: smart Grid, Microgrid, Energy management, cyber security, Var watt Control etc. Protection of microgrid/smart grid. FACTS, HVDC/MTDC transmission system, AI applications in power system. Application of Signal Processing Techniques for Power System Protection. Model order reduction, Interval system controller designing. Power Electronics and its application to electric vehicles and renewable energy system, soft switching and resonant converters, induction heating, Electrical Machines and its control, Power quality, Renewable Energy Applications, and IoT applications. High voltage Engineering. Optical sensors and instrumentation, Electric drives.
11.	Electronics & Communication Engineering	System design, image processing, computer & communication networks, distributed processing, Semiconductor Devices and VLSI, Wireless Sensor Network, Artificial Intelligence, Application of Machine Learning in internet of things (IOT)., Cryptography, High performance Architectures, Hardware Security, FPGA-based Designs, Free Space Optics, Fiber Optics, Non-linear Optics, IsOWC system design, Optical Signal Processing, Machine learning, Deep learning for wireless communication, Signal processing, Computer Vision, Multimedia Security, Signal Processing, Metaheuristic Optimization, Soft Computing, System Identification, Filter Design, Antenna & Microwave Engineering, Microstrip & Dielectric Resonator Antennas, Silicon and thin film solar cells, semiconductor optoelectronic devices. MEMS and Nano-electronic Devices, Wideband semiconductor devices (GaN/SiC).
12.	Humanities & Social Sciences	American Literature; British Literature; Indian Literature; Indian Writing in English; Translation Studies; Critical Theory; Comparative Literature, Memory Studies, and Digital Humanities.
13.	Information Technology	Edge AI for Real-Time Decision Making, Explainable AI (XAI) for Trustworthy Systems, Post-Quantum Cryptography Algorithms, Privacy-Preserving Machine Learning, Secure IoT Architecture for Smart Cities, AI-driven Cyber Threat Detection, Blockchain for Decentralized Identity Management, Digital Twins for Industrial Automation, Energy-Efficient Consensus Protocols for Blockchain, Neuromorphic Computing for Low-Power AI, Cloud-Edge Hybrid Architecture for Smart Applications, AI for Healthcare Diagnostics and Predictive Medicine Autonomous Vehicle Communication Systems (V2X), Natural Language Processing for Multilingual Systems, Quantum Machine Learning (QML).
14.	Mathematics	Queueing Theory, Computational Statistics, Bayesian Statistics, Data Sciences, Machine Learning, Algebra, Fuzzy Set Theory, Fractals, Number Theory.
15.	Mechanical Engineering	Thermal engineering, Computational Fluid Dynamics, Heat transfer and Vibration analysis, Structural Mechanics, Solid mechanics for composite structure, computational mechanics, Smart material, Tribology, Production Engineering, Welding Technology, Industrial engineering, Supply chain management, Production and operation management, Robotics, Biomechanics, Nature Inspired Design, Physics Inferred Neural Network and its applications, etc.
16.	Metallurgical & Materials Engineering	Additive manufacturing, metal foam, liquid metal engineering, aluminium alloy casting, steel microstructure & digital metallography, thin film, sensor, FSW, Coating, Composite materials, lead free solder alloy, corrosion of metals, and alloys, Hea and alloy design, centrifugal castings, welding and joining of alloys, functionally graded materials.
17.	Mining Engg.	Rock Excavation, Blasting, Strata Control, Machine Learning
18.	Physics	Materials Science (Core shell QDS), Optoelectronics, Condensed matter Physics (Theory & Experiment), Semiconductor QDs, Energy Conversion: Thermoelectric Materials and Devices, Flexible Thermoelectric Devices, Energy Storage: Supercapacitors, Hybrid-ion capacitors, Rechargeable batteries Dual-ion batteries.
19.	COSINE	Hyperspectral Remote Sensing. Planetary Science, Thermal and Microwave Remote Sensing , Optical Sensors, Photonics, Quantum Computing, Quantum Communication and Relay Networks, Quantum Machine Learning and Quantum Cryptography, Bioastronautics, AI/ ML in Space Health

INCOME & ASSEST CERTIFICATE TO BE PRODUCED BY ECONOMICALLY WEAKER SECTIONS

Government of

(Name & Address of the authority issuing the certificate)

[This certificate MUST have been issued on or after 1st April 2026

Certificate No.

Date:

VALID FOR THE YEAR

1. This is to certify that Shri/Smt./Kumari _____, son/daughter/wife of _____ permanent resident of _____, Village/Street _____ Post Office _____ District in the State/Union Territory _____ Pin Code _____ whose photograph is attested below belongs to Economically Weaker Sections, since the gross annual income* of his/her family** is below Rs. 8 lakh (Rupees Eight Lakh only) for the financial year _____. His/her family does not own or possess any of the following assets***:
- I. 5 acres of agricultural land and above;
 - II. Residential flat of 1000 sq. ft. and above;
 - III. Residential plot of 100 sq. yards and above in notified municipalities;
 - IV. Residential plot of 200 sq. yards and above in areas other than the notified municipalities.
2. Shri/Smt./Kumari _____ belongs to the _____ caste which is not recognized as a Scheduled Caste, Scheduled Tribe and Other Backward Classes (Central List)s

Signature with seal of Office

Name

Designation

Recent Passport size
attested photograph
of the applicant

The income and assets of the families as mentioned would be required to be certified by an officer not below the rank of Tehsildar in the States/UTs.

Note:

* Income covered all sources i.e. salary, agriculture, business, profession, etc.

** The term 'Family' for this purpose includes the person, who seeks benefit of reservation, his/her parents and siblings below the age of 18 years as also his/her spouse and children below the age of 18 years.

*** The property held by a 'Family' in different locations or different places/cities have been clubbed while applying the land or property holding test to determine EWS status.

FORMAT FOR SC/ST CERTIFICATE

A candidate who claims to belong to one of the Scheduled Castes or the Scheduled Tribes should submit in support of his claim an attested/self-certified copy of a certificate in the form given below, from the District Officer or the Sub-Divisional Officer or any other officer as indicated below of the District in which his parents (or surviving parent) ordinarily reside who has been designated by the State Government concerned as competent to issue such a certificate. If both his parents are dead, the officer signing the certificate should be of the district in which the candidate himself ordinarily resides otherwise than for the purpose of his own education. Wherever photograph is an integral part of the certificate, NIT Raipur would accept only attested/self-certified photocopies of such certificates and not any other copy.

Candidates from Maharashtra state must also produce the caste-validity certificate from competent authority.

This is to certify that Shri/Shrimati/Kumari* _____

_____ **son/daughter of** _____

_____ **of village/town/*** _____ **in**

District/Division* _____ **of the State/Union Territory*** _____

belongs to the _____ **Caste/Tribe* which is recognized as a Scheduled Castes**
