Notice to the students

Supplementary examinations for the unsuccessful students of ODD Semesters (B. Tech, B. Arch and MCA students of NIT Scheme) whose Autumn Semester and Winter (Supplementary) examinations were conducted in December 2019 and January 2020, respectively are going to be organized as per the schedule given in the Annexure I. These examinations will be conducted in digital mode only looking to current closure of the Institute due to the pandemic.

The scheme of evaluation for supplementary examination for B. Tech., B. Arch. And MCA programs is as follows:

For B. Tech. /B. Arch. Programs - Theory Examination End Semester	
Components of evaluation	Maximum Marks
MCQ examination of 30~45 minutes comprising of 30 questions	30
Digital open book examination of 3 hours	20
Viva-voce for the subject	20
Total End Semester Component for theory	70
The supplementary students have already been awarded the TA, FE and SE marks; hence these will remain unchanged. The student must appear in all the three components else he/she will be treated as absent.	
For B. Tech. Programs – Laboratory Examination End Semester	
Components of evaluation	Maximum Marks
Viva-voce	20
The supplementary students have already been awarded the TA marks for practical hence these will remain unchanged.	
For B. Arch. Program – Laboratory Examination End Semester	
Components of evaluation	Maximum Marks
Viva-voce	End semester component of the concerned studio/Lab
The supplementary students have already been awarded the TA marks for practical wherever applicable, hence these will remain unchanged.	
For M.C.A. Program- Theory Examination End Semester	
Components of evaluation	Maximum Marks
MCQ examination of 50~60 minutes comprising of 50 questions	50
Digital open book examination of 3 hours	30
Viva-voce for the subject	20
Total End Semester Component for theory	100
The supplementary students have already been awarded the TA, FE and SE marks; hence these will remain unchanged. The student must appear in all the three components else he/she will be treated as absent.	
For M.C.A. Program – Laboratory Examination End Semester	
Components of evaluation	Maximum Marks
Viva-voce	End semester component of the concerned Lab
The supplementary students have already been awarded the TA marks for practical hence these will remain unchanged.

This supplementary examination is being conducted **ONLY** for those NIT Scheme students who were not allowed in the Autumn Semester examinations **held in December 2020 and will** be conducted as 'Digital Examination', in which the students will be given online (through email, WhatsApp, etc.) open book questions by the concerned subject teachers from the syllabus.

Students will have to write (to-the-point) answers to these questions and send the scanned copies (or images) of the written answers on the email to the concerned subject teacher within three hours of the start of examination.

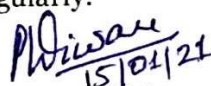

Please note that a student **MUST** appear in all the components (MCQ, Digital Exam and Viva) of the theory examination otherwise he/she may be declared absent from the examination.

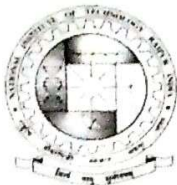

Instructions to the students for the Examination

1. The student should preferably use A-4 size unruled paper for writing to-the-point answers to the questions in digital examination giving their roll number, semester, branch, name of subject on the top of each page and the page numbers at the bottom.
2. Students should take precaution to scan/capture the full page and all the pages. They should also ensure that the scanned/captured image or pdf is clearly visible and readable.
3. Students should also ensure marking the end of their last answer indicating the completion of their submission.
4. The concerned teacher allotted to the student will acknowledge the receipt of the scanned answer sheet to the individual students on email/WhatsApp. In case, after submission, an acknowledgement is not received within 1 hour of exam on the same day, the student must contact the concerned teacher personally.
5. Consultation amongst students is prohibited within the duration of examination.
6. In subjects, where in design data or data books are required, the concerned subject teacher will provide the data in the question paper itself.
7. Students are advised to regularly visit the institute website, their email (and group email) and their class WhatsApp group and be in regular contact with the department, HoD and subject teachers.
8. Students must also ensure that they have contacted individually with the department/HoD at-least once well before the examination commences to establish his/her connection and availability.

IMPORTANT NOTE: -

Schedule for Supplementary examination of Autumn Semester exam held in December 2020 for regular students shall be declared shortly, the students are expected to visit the Institute website regularly.
