Ever since its foundation in 2016, Nrityam – the Dance Club of NIT Raipur has been actively functioning to improve the level of various dance forms in the college. It aims at promoting dancing through various platforms and encourages the dancers to showcase their talent by organizing various events. Team Nrityam believes that dance is a medium through which we can feel close to our own culture and learn about the other cultures as well. Further, Nrityam provides the students with a break from regular routines by making them groove to the beats.

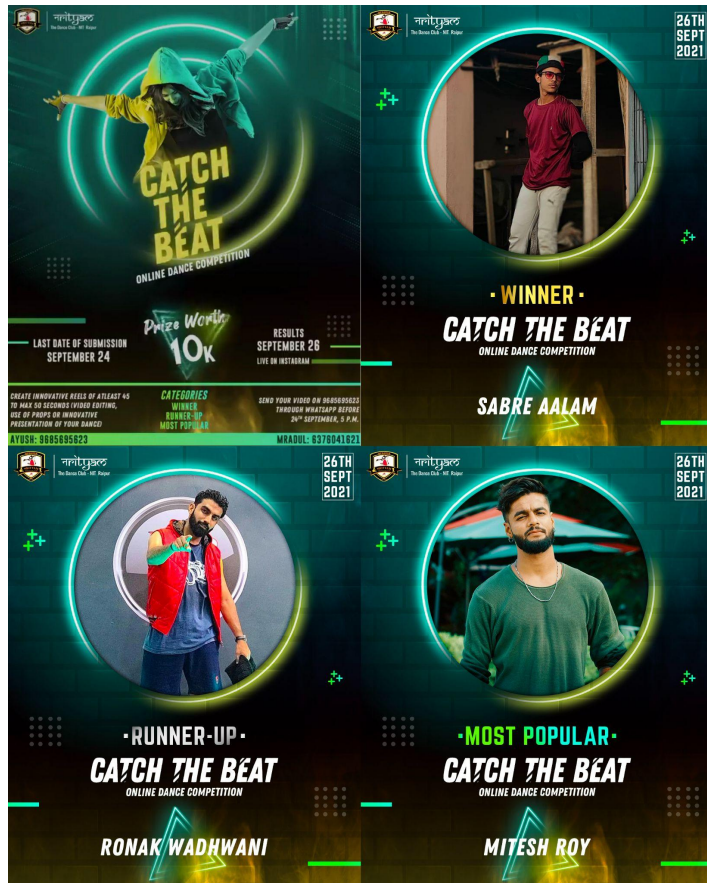

Team Nrityam helps in building confidence and refining skills. It encourages its members and participants to become the best versions of themselves.

Bollywood Queens
