

NOTICE

Reference:

Tender Enquiry No: NITRR/S&P/2962 dated 26/02/2020

Tender Name: Providing Alternate Failsafe Internet Leased Line (ILL) Connectivity (500 Mbps (1:1) Uncompressed, Unshared and Burstable Upto 1 Gbps)

We are given to understand that potential bidders are facing practical problems in the tender process due to present lockdown restrictions put in place for preventing the spread of the coronavirus infection.

In view of the same, the tender submission date in the aforementioned tender is put on hold and shall be announced later giving sufficient time after the restrictions are eased / lifted.

Potential bidders are requested to keep visiting the institute website for the announcement.

The terms and conditions published in the tender document and any amendment / corrigendum will remain the same.
