

SELECTION OF CONSULTANTS BY THE BANK'S BORROWERS
REQUEST FOR EXPRESSIONS OF INTEREST

Country: India

Project Name: **Technical Education Quality Improvement Programme (TEQIP)-Phase III**

METHOD OF CONSULTING SERVICES

Credit.: **Cr. 4685-0 IN**

Expressions of Interest

The Government of India has received a Credit 4685-IN from the International Development Association and it is intended that part of the proceeds of this credit will be applied to eligible payments under the contracts for **Technical Education Quality Improvement Programme (TEQIP)-Phase III**.

The services include [*Training for weak students for Quantitative ability, Logical reasoning, verbal ability, personality assessment, psychometric testes, case studies as mentioned in Annexure -2 (Technical Specification of course content details) attached*]]

Consulting Services: **Placement Training For improvement of campus placement of weak Students**

Brief Description: **Placement Training For improvement of campus placement of weak Students under TEQIP-III**

Organization: **National Institute of Technology, Raipur**

Implementation Period: One year from due date of award of contract.

The **National Institute of Technology, Raipur** now invites eligible consultants to indicate their interest in providing the services. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Consultants may associate to enhance their qualifications.

A consultant will be selected in accordance with the procedures set out in the World Bank's *Guidelines: Selection and Employment of Consultants by World Bank Borrower* (current edition).

Short-listing Criteria

- i. The organization should have previous experience of conducting such programmes for students of premier technical education institution. The organization must submit the feedback about the programme from the relevant authority.
